

Featuring the UK's top 2 Cliff Richard tribute acts,
Simon Goodall (the 'voice of Cliff') and
Will Chandler ('Cliff...As If')

Will has performed his celebrated one-man show all over the UK and Europe, personally bringing the hits of Sir Cliff to thousands of appreciative fans over the years, delighting audiences with his light-hearted tribute to the Peter Pan of Pop. Often mistaken for the man himself, Will performs as an incredibly accurate and thoroughly enjoyable lookalike, with all the songs, the moves and the humour.

Meanwhile, a respected and widely-published modern hymn writer, accomplished performer and musical producer, Simon has performed with and for Sir Cliff on a number of occasions. He has written and produced several albums of his own music and featured at many mainstream Christian events including Greenbelt, Spring Harvest and Crossrhythms, as well as on BBC's Songs of Praise.

In recent years, Simon wrote a very special song for Sir Cliff Richard entitled 'It's A Boy' which featured on Cliff's Christmas CD single 'Santa's List'. This year Simon will be releasing 'It's A Boy' as his own Christmas song. It is currently available on his latest album 'Collaborations' on which Sir Cliff Richard appears.

Perhaps more important than their matched musical skills, Simon and Will also share a Christian faith, which has brought them together for this special inaugural tour, which also marks the release of this wonderful and moving song. So in addition to the great music, fun and frolics of the Cliff...As If show you can now enjoy an 'extra Cliff' whose amazing sound will move the hearts of your audience.

BOOK YOUR SHOW TODAY!

The Popsel show has been designed as an accessible and popular outreach event leading up to Christmas. Easy to invite non churchgoers along to, it is a show filled with many of the famous songs of Sir Cliff Richard, from both his pop and gospel music repertoires. With lots of laughs, this show offers both comedy and a 'twist of faith' where both Will and Simon take the opportunity to share a little of their own walk with Jesus Christ. Not only will your guests be thoroughly entertained but the show offers your organisation the chance to make new contacts with people who may not have a personal walk with God.

The show can be staged in a variety of venues, including main church buildings or attached large rooms. Some churches or groups choose to host the event at local municipal buildings or social clubs. And you don't need to be concerned about having a suitable sound system or equipment, as the show can come fully 'self contained'. Wherever the show is hosted, you can be sure of treating your guests to a very memorable event.
